

# Ties of Kinship

## Classroom Connections

### Research Project: Treaty Relationships

“We are all Treaty People: Understanding the spirit and intent of the treaties matters to all of us” – Karine Duhamel

#### Treaties in your Area

Look at the maps of treaties provided at [ltiv.ca/5/](http://ltiv.ca/5/). Divide into groups and find out as much about the treaty as you can.

1. When was the treaty agreed upon?

---

2. Who participated in it?

---

3. What is known of the oral agreements, not just what is written down?

---

---

4. What responsibilities do the different parties of the treaty undertake?

---

---

---

5. What is the current status of the treaty where you live? Has it been updated?

---

---

---

6. If you live in a territory where no treaty currently exists, why is that so? Are treaties negotiations currently underway? If not, why?

---

---

---

---
